

 **NEXT** 
DOOR

My prayer for us on this journey:

*"Father would You give us the grit to walk in risky faith through this next door. Make Your desire for our part in Your story clear. Where we are being led to simple obedience, give us active faith to move. Where we are being led to sacrifice, give us active faith to move. Help us to embrace the faith space in our lives that requires Your power and intervention in our living. Use this season to give us an uncommon unity so that the uncommon message of Jesus will be heard and experienced in our community. Make Jesus' name famous through our lives, and empower us by the Holy Spirit to see this next door become a reality.
In Jesus name, Amen."*

Welcome

Eleven years ago, a small group of people stepped out in faith with a desire to start a church in this area that would “**reach the least, the lost, and the lonely with the Gospel of Jesus Christ.**” In the legacy of this Church’s ministry God has faithfully endured and moved in a powerful way. 4 Points started from a modest beginning at a Pizza Inn, progressed to a small storefront along Highway 101, and eventually expanded to two storefronts, demonstrating God’s unwavering faithfulness and goodness throughout this journey. 4 Points is a living story of endurance by the grace and power of God that has brought us to the door of an incredible new season of ministry.

Two years ago, my family was given the opportunity to step into ministry alongside you at 4 Points Church. From our first visit we sensed the presence of God and quickly knew there were great things about to happen. My prayer since the first day was that we would not be a church that talked about a move of God, but that we would **BE** a move of God. In a short time, God has faithfully shown his desire to answer that prayer. We now stand **Next Door** to our next season of powerful ministry.

God has provided 10.5 acres of land **Next Door** for us to build a place where the lost can be reached, the found can be equipped, and the disciplined can be sent into our community and the world for generations to come! This next step is not just foundationally about a building. It is about God’s work in you, me, and the journey through the **Next Door** He is guiding us through. It is about the people in this area who have yet to be reached with the Gospel of Jesus. It is about obedience and sacrificing in this season so the next generation can stand in this community with opportunities for ministry. I believe we have been uniquely called to this season of 4 Points history to enact this faith step together. I am excited to see the ways God is going to grow our faith as we sacrifice, give, pray, and walk into the next chapter of God’s work through our church. Let’s move **Next Door** together!

OUR HISTORY

- 2011** Our first Sunday was October 16, 2011. We met for the first 10 months in Pizza Inn of Duncan
- 2012** Sunday, July 29, 2012, we had our first worship service in our current location
- 2013** September 8, 2013 was our first Sunday where two services were held
- 2015** Sunday, April 19, 2015 the church was doubled in capacity with the Grand Opening of the expanded 4 Kids Ministry
- 2023** Sunday, May 7, 2023, we finished our third major upgrade of facilities and rebranded our kid's area

OUR MISSION

To reach the least, the lost, and
the lonely with the Gospel.

The Need

Over the last three years, we have seen a 200% growth in attendance! Through the use of our building, our ministries, and the inspiring lives of our congregation, more people than ever have come to know the one who calls us to reach the least, the lost, and the lonely; Jesus. Through 4 Points, lives are being united with Jesus and the local church.

Kids Space

Our Kid's area is reaching maximum capacity without further expansion. On Sunday's, we average 125+ kids in Kids Town. With our projected growth we will soon need additional space.

Parking

The existing parking area is insufficient to support sustained growth at 4 Points. Having increased parking availability will be more inviting and increase safety for our guests and congregation.

Auditorium

Our current auditorium has a maximum capacity of 275 adults. Given our current growth rate, a third service will need to be implemented.

Secure Our Legacy

Since the beginning of 4 Points, we have leased our space. By building our own facility, we would gain ownership, which would secure our legacy within the community and provide more financial support for missions and ministry opportunities.

Answering God's call into a new building requires a response from all of us, including radical obedience in sacrificial giving. What an amazing privilege it is to invest in God's great plan to inspire life around us!

The vision God has given us is large. We thank God for the way He has already provided. As we respond in faith by stepping **Next Door**, we can be a part of transforming the landscape of Upstate, South Carolina.

Step 4

BREAK GROUND

Since the purchase of the land, Pastor Russ and the Elders have engaged in discussions with multiple architecture firms to choose the one most suitable for designing the building **Next Door**. After careful consideration, Risepointe has emerged as the best fit for 4 Points. They are composed of former ministry administrators and are renowned for their expertise in modern church architecture. This summer, the staff and Elders collaborated closely with Risepointe's design team to create a concept plan that aligns with our vision.

Based on the proposed concept plan, the estimated budget for the project falls in the range of \$4,400,000 to \$5,100,000. This budget allows us to create the essential space to continue our mission of reaching the least, the lost, and the lonely in the future. It's worth noting that our church has been blessed by your generosity, enabling us to purchase the land outright without incurring any debts.

To advance the **Next Door** project successfully, we are initiating a campaign to raise \$1,000,000. Your generous contributions and support in this endeavor will play a vital role in making our vision a reality. With your help, we can create a welcoming and purposeful space to continue our mission of reaching and supporting the least, the lost, and the lonely with the Gospel. Together, we will bring this important project to fruition and make a generational impact on our community.

How to Help

GIVE REGULARLY

Giving to the church is a vital action and biblical commandment for Christians. Giving is an act of worship that, fosters faith, strengthens fellowship, and empowers the church to carry out its mission effectively.

Financial contributions fund all of our ministries, enabling us to fulfill our mission and generate a positive impact in our community that extends beyond a monetary value.

GIVE ABOVE

Thank you for your steadfast giving and dedicated support!

Your generosity has made a significant impact on our church's ability to serve the community and further the work of God. We now invite you to prayerfully consider giving above your current tithe to help us expand our reach and positively impact more lives for Jesus.

Your additional contributions will enhance our ministries, begin new initiatives, and further our reach within the Kingdom.

GIVE TO CAMPAIGN

To achieve our goal, we are asking individuals to make a meaningful difference by making a contribution on pledge day and a 3-year pledge to our building campaign. Your pledge will allow us to plan strategically, secure necessary resources, and make the vision a reality.

With your generous support over the next three years, we can create a lasting impact and leave a legacy that will positively influence generations to come.

A TITHE

is defined as a tenth, or 10%, of our income given to the local church. It is an expression of our faithfulness to God and an act of worship. Our tithes ensure a healthy church budget so that we can continue work for God's Kingdom.

A PLEDGE OFFERING

is an exercise in faith and a spiritual commitment. After thoughtfully considering all the ways God has provided for us and counting all the blessings we currently enjoy, we prayerfully seek God's direction in making a commitment to give. It is not a contract or a requirement. A pledge to our campaign should be in addition to your regular givings and/or offerings.

FLEXIBLE GIVING OPTIONS

In fulfilling your pledge, families and individuals have the ability to choose the amount, the method, and frequency of payment. The most common methods are:

- CASH
- CHECK
- AUTO WITHDRAWAL
- ONLINE BILL PAY
- INVESTMENTS
- PROPERTY

Create Margin

Want to be involved, but not sure how? Are you enthusiastic about giving to this initiative, but not sure where to start? Here are some creative suggestions to help you allocate or free up resources so you can be a part of our **Next Door** campaign:

DECREASE

Are there things in your life you can take advantage of less frequently? Maybe it's fewer Starbucks runs or one less dinner out each week. By decreasing a weekly expense, regardless of what it might be, you can save a significant amount to contribute.

DELAY

Are there plans you might be making that involve a financial commitment? If so, prayerfully ask God about delaying those plans and using the extra income to contribute.

DO MORE

Often, there are creative ways to save money. Maybe it's been awhile since you got a quote on an existing service. Perhaps you could do some extra comparison or bargain-shopping to save funds. For your kids, it could be as easy as saving extra change to give.

DONATE

A great way to contribute is to give existing assets. Giving the asset to 4 Points Church and then letting us sell it eliminates potential capital gains taxes and may increase the after-tax proceeds.

Pledge Day - October 29, 2023

MAKE A THREE YEAR PLEDGE

We've designated October 29th as Pledge Sunday. On this day, we'll ask individuals and families to turn in pledge cards that represent their potential donations. This isn't a binding contract, but a declaration of your intentions which will help us plan and secure funding.
